

*The Finest
Proper Bourbon*

A bold handcrafted bourbon, rooted in American traditional and refined for the modern palate. Captured in a bottle at 40% ABV (80 proof), this bourbon is carefully crafted from a corn rich mash bill, and aged in a new, charred oak barrel, delivering the signature warmth, complexity and subtle sweetness that define true bourbon. Housed in the same sleek bottle, the frosted glass finish and substantial base give it an elevated presence, weighted in the hand and striking on the shelf. From a slow neat sip, to a classic Old Fashioned, Thomas T. Thinn Straight Bourbon Whiskey invites you to savor every drop with quiet confidence and distinction.
